INTRO

INTRO

First and foremost, Welcome to Midwest Cheer Elite, Toledo. We are excited for you to become a part of Northwest Ohio's fastest growing all-star cheer and dance programs. Midwest Cheer Elite, Inc. was founded in 2003 in West Chester, Ohio. The Toledo location is celebrating our 13th season and 17 years as a brand. With over 6 locations within 2 states Midwest Cheer Elite, Inc. has quickly grown from a small gym to what is considered a "mega-gym", offering something for every child, teen and adult regardless of age or skill...there is a place to call home for everyone! Outside of training amazing athletes, we pride ourselves on developing great adults as well. Our goal every day is to teach our athletes the values of commitment, hard work, integrity, leadership, self-confidence, positive attitude and a love for the sport! We strive to be the very best all-star program in the area.

We offer multiple evaluation days. If you wish to be considered for a flyer position on a team, you will be asked to show your flyer skills during your evaluation.

TEAM PLACEMENTS

Team placement sessions are essentially low-stress workouts. During the workouts, athletes show skills they have already developed and demonstrate potential to learn new skills. Athletes are given numerous opportunities to show skills during evaluations.

After the final session of placements, the staff assembles rosters for the upcoming season. Teams are selected so that each have the best possible chance of a successful competitive season. After rosters are set, athletes will be notified of their team placement.

PRACTICES / ATTENDANCE

All teams will have a set two days a week schedule. Typically, teams' practice for two hours during the week, and two hours on Sundays. Practice times usually remain consistent throughout the season and are only changed under special circumstances (We adjust our schedules during the summer months to 2 weekday practices, returning to regular schedule in Fall.) During important times of the season, additional practices may be scheduled. These practices are typically scheduled up to two weeks in advance and all athletes are expected to attend.

COST / TUITION

COST / TUITION

Competitive cheer, while not as costly as some youth activities, can still be expensive. Before considering this or any program, please consider the financial commitment involved. Midwest Cheer Elite has the finest staff and a clean and safe training facility. As a result, our fees may seem higher than many programs. However, factoring entry fees, summer activities, choreography fees, music, and other expenses that are typically charged separately at many other gyms, you may end up spending more at some other programs. Although others may advertise lower rates, Midwest's overall value per dollar is highly competitive.

We have a comprehensive monthly price that covers most of the expenses throughout the year. During the 2020-21 season, there will be 11 monthly charges beginning June 2020 through April 2021. The first month's tuition will be due on Saturday, June 13th at commitment day. For the remaining months, tuition is payable on the 15th of each month.

This monthly fee covers tuition and most other expenses and does not fluctuate from month-to-month. Competitions are NOT included in the monthly bills as in year's past, due to not knowing how many competitions we will be able to attend due to social distancing regulations. Competitions will be billed 60 days out on monthly billing invoices. Tuition does not change based on the number of practices in any month. Most athletes attending evaluations will be selected for a team. If Midwest is not able to find a placement for an athlete, 100% of the registration fee will be credited back. If an athlete chooses to decline a roster spot the registration fee will not be reimbursed.

Midwest Cheer Elite helps push athletes to be the best version of themselves. Athletes learn the "Midwest" way of competitive cheerleading, but they will also be given lifelong skills that will help them throughout their lives. The progress our athletes see in positive and productive surroundings can be amazing. Our coaching style is both competitive and rewarding. Positive reinforcement is going to be stressed this season with air high five's and lots of encouragement in the gym. We feel this will not only elevate our athletes, but also increase our athlete productivity.

Midwest Protocol

We will continue to follow the recommended guidelines in regard to COVID-19 for the safety of our athletes and families. We know that things have been changing daily and we will continue to monitor and adapt as necessary. We will practice social distancing within the gym.

PRE-EVALUATION CHECK-LIST

Sign up for clinics, private lessons or attend an Open Gym ...what better way to become familiar with the gym, our staff, and the athletes, than coming out and working on those skills. We are offering private lessons before tryout evaluations.

Dress for success.... start getting your gear together because you have several days of evaluations. We want to see you in your Royal Blue, Black and White each day of evaluations, hair bow of choice, cheer shoes, white no show socks and hair either ½ up ½ down or high ponytail. Shorts/Briefs are a must with a sports bra or tank top. If you wear a t-shirt, we just ask you wear a sports bra underneath and if you wear regular shorts, we ask you have a Nike pro type brief under them. Keep the jewelry at home!

All ages are based on age of December 31, 2020

Evaluation Day Process

Bring you Registration Forms, Annual Registration, Waiver and Athlete information form with a wallet size photo attached (preferably a head shot). You will turn these in when you walk through the doors for evaluations. You will then be a given number that you will wear for tryouts.

You will be asked if you are interested in double teaming.... this means are you interested in being on more than one team cheer team. Please talk this over PRIOR to evaluation week. Many times, you will see an athlete do this to fly on team A and tumble on team B.... but there is extra expenses of crossover competition fees, choreography and music. Double teaming is a great opportunity for many athletes but one that needs to be thought through.

Evaluations are closed to all spectators, so parents are asked to return at pick-up time to pick up your athlete. Since evaluations are being done during time slots, we need all paperwork filled out prior to arrival for tryouts along with evaluation/gym registration. As we are continuing to practice social distancing, we cannot have large crowds gather in the lobby area.

Selection Process

We are looking at tumbling, jumps, whether the athlete is a base, back spot or flyer.... flexibility...but we are also looking for leaders and athletes with drive and passion. Sitting around at tryouts, rolling your eyes or presenting a poor attitude or inability to work within a team may result in you not being placed with a team at Midwest Cheer Elite, Toledo. Also, understand we want to see skills you are confident with doing. Coaches will not spot you on tumbling skills, as if you cannot throw the skill with confidence and technique, we cannot count that towards your evaluations. Do what you know you can do well. The rule at our gym is: *TECHNIQUE IS KING!*

Results

Team results will be revealed on Friday evening....We are known for our unique team reveals and this year will be no different. Stay tuned for details! With everything that is going on in the world, we must use our creative minds and think outside the box.

Please keep in mind; you are trying out to be a member of Midwest Cheer Elite Toledo.... not a particular team. Athletes do move up or down within teams and skill levels throughout the season based off their performance, this is not uncommon. If you are only trying out to be a member of team "so and so" then you may want to reconsider the evaluation process.

Placement on teams is not up for discussion or debate, especially not at the team reveal. If you would like to know what your athlete needs to do to progress to a higher-level team at some point in the season, we will be happy to speak with you....But we will not discuss other athletes or why your athlete did not make "such and such" team and others did.

Just because you were on a specific team last year or at a different gym does not mean you will make the same team at our location. We will make our teams to be the most competitive that we can be. We are making most of our decisions based off wanting to be the best teams we can be and be competitive.

Commitment Day
June 13th, 2020
10:00 – 2:00

We will have designated sign up times

Commitment Day is where so many exciting things happen, and you finalize your decision to become part of our family for the 2020-2021 season. We will be doing uniform sizing, practice clothing sizing, signing up for boosters, and it's during this time you will turn in your Financial agreement form as well as Termination Agreement and the "I Understand" form.

You will also be making your 1st installment this day and paying for practice wear if you need to order. We will be accepting Business Venmo, Credit Card authorization forms that we will run, or check. We will not be accepting cash at this time. All families are required to keep a current credit card on file. As long as your invoice is paid by the 15th of each month, the credit card will not be run. Should your credit card information change at any point in the season, you will need to fill out a new financial form. Should your credit card change at any point in the season, you will need to fill out a new financial form.

Failure to show up to commitment day will result in your forfeiting your spot on the 2020-2021 all-star cheer teams and that spot will be filled by the next name. If you absolutely are unable to make commitment day but would like to accept your spot please email the gym at mcetoledo@aol.com prior to commitment day to notify us.
